Become a Pico Rivera AYSO Region 603 Sponsor and Adopt a Soccer Team!

American Youth Soccer Organization is a nationwide non-profit organization that develops and delivers quality youth soccer programs in a fun, family oriented environment.

Why become an AYSO Sponsor?

AYSO Sponsorship is one of the means open to a company to bring itself or its products to the attention of its local community and present them in a favorable light. Advertising is the most frequently used marketing tool and speaks to a consumer in a direct way. It announces the availability of a product and creates an image for a brand. It can also provide information on product quality, characteristics, price, and performance. AYSO Sponsorship is a commercial agreement between a company and AYSO to enter into a joint venture to promote their mutual interests. In return for a financial contribution AYSO will advertise the company's name at many soccer activities. These activities can be as varied as the imaginations of the participants.

Where does my sponsorship money go?

AYSO is a non-profit organization that is ran strictly by volunteers. All sponsorship money is used for the kids within the region to provide them with a better and safer playing environment.
